Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner inquired on performing an Examiner's Amendment to clarify the term, "the polygons" in the "using a prescribed condition..." limitation of claim 9 (see lines 11-12 of claim 9). In particular, Applicant's Representative allowed Examiner to modify the term, "the polygons" to "a polygon of the overlapped polygons" which is described within the specification. Further, changes were authorized to claim 12 for changing "the polygons" to "the overlapped polygons" (see 2nd line of claim 12). Finally, authorization was given to change the term "polygonal texture" in claims 17 and 18 to "polygon texture" in order to maintain consistent language throughout the claims..
